Dear Sensei:

I am once again delighted to invite you and your students to attend this year's RBKD SUMMER KOBUJUTSU SEMINAR being held in Mount Vernon, New York at HOOPERSTOWN located at 300 East Sanford Blvd on Sunday August 21st, 2016. This Seminar will be taught by Shihan Toshihiro Oshiro and is open to all martial artists, regardless of style or rank, who has an interest in Okinawa weapons and Yamanni-Chinen Ryu Bojutsu in particular.

I encourage anyone who would like additional training to take advantage of the semi-private sessions offered on Saturday August 20th, 2016. This year Shihan will conduct a *special Sai seminar* for children and youth from age 7 to 17 years; at the dojo on Saturday.

We welcome new members or anyone interested in learning kobudo to come and join us.

It is my hope that all RBKD members will take this opportunity to further their studies with Shihan Oshiro and invite their friends to come and train with one of the most sought after Okinawa weapons expert in the world. As an incentive to all instructors who register five or more students, *your cost will be waived.*

Respectfully,

Cleve Baxter

Kyoshi, 7th Dan Shima-Ha Shorin Ryu
