This 5-day course will equip officers with the skills that their job requires: keeping them, their team and the public safe!

This is a great supplement to any defensive tactics program. If you are the leader of your defensive tactics division, this will enable you to teach Krav Maga as it pertains to Law Enforcement and your department.

Course Content:

Combatives for L. E. Releases
from Dangerous Grabs L.E. Tools
& Weapons Ground Defense
Weapon Retention
Arrest & Control
Protecting a Fellow Officer
