

SOLDIER

SACRIFICE.

yourself and your time for the betterment of all.

Ownership.

Place claim upon the child, situation, or problem. Make it yours and nurture it to a positive solution.

Leadership

Take action and lead others. The mistake only comes in failing to lead. There is no failure in leading, that is called learning.

**Discipline and
Discipleship**

Stay the steady course, even when the course is a tough one. Disciple others by your actions and not merely by the words you speak.

Integrity

Always do that which is right, even when the only one that knows it is you.

Excel

Do above that which is required to achieve what others wish to have, but never will obtain due to lack of effort.

Responsibility

for your actions, your lack of action, and for the action or lack of action of others due to your failure to lead, disciple, and mentor.
