

Premier Athletics Commitment Statement

Commitment from Parents

- We understand the commitment that we are making as a family to the Premier Athletics coaches and other All Star team members.
- We will participate for the entire year from May 2018 until the final competition in April/May 2019.
 - This includes Preseason (Premier Showcase), Regular Season (Competition Schedule), and Post Season (Worlds or Summit) Events.
- If for some reason, circumstances occur which require our withdrawal from the program, **we do not expect any refund of fees or competition expenses.**
- We understand that there are two to four 2 day travel competitions as well as several 1 day local competitions that every All-Star is **required to attend** and I will have my All-Star there ON TIME.
- We understand that an All-Star can be **dismissed** from the squad for breaking the attendance policy.
- We understand that an All-Star may **not be allowed to compete** if they miss a practice one week prior to a competition and that **we will not be refunded** for the competition fees.
- We understand that consistent negative conversation will **not** be tolerated, and if it becomes a detriment to team unity and chemistry, **All-Stars or parents participating will either be dismissed from the program or told not to attend practice.**
- We will promote **good sportsmanship at all times.**
- We also understand that Premier Athletics reserves the right to **dismiss my child or myself from the gym for inappropriate behavior.** If this happens while out of town, the expense to send your child home will be the parents' responsibility.
- We have read both the financial packet and the general All Star handbook and understand its contents.
- We understand our Role as a Parent as listed in the General Handbook
