For your convenience, the season commitment consists of **monthly tuition installments and All Star competition fees and expenses, based on full season commitment** – Meaning all fees must be paid (even if you withdraw).

- ALL new and existing Premier customers are required to pay tuition installments **electronically**:

You may choose to go in to the parent portal and make the payment yourself BEFORE the 20th each month. The draft dates for the year are posted in the gym, in this packet, and also is located at the bottom of your monthly statements.
- If your payment is declined for any reason, you will be notified via email, phone call or receive a statement on the early bird date after all accounts have been drafted. You are still responsible for making your payment on the Early Bird Date to avoid paying full price for tuition. **Tuition automatically goes up \$10 per team at midnight** on the Early Bird Date.
- **If your account information changes (new card, expiration date, stolen card, new address, etc.) you are responsible for changing the information online to avoid increased tuition or suspension from the team.**
- NO REFUNDS
- If a check is returned for insufficient funds, there is a \$30 NSF fee. If a personal check is returned, we will no longer be able to accept personal checks for your account.

WHAT IS COVERED IN MONTHLY TUITION INSTALLMENTS?

- Cheer teams at least 6 practices per month. You will not have additional charges for extra practices throughout the season.
- Extra practices - From October through April, the teams may have additional practices to prepare for Worlds and Summit
- 1 Hour of All-Star Tumbling incorporated into their practice schedule each week

We value your time, so we offer two types of schedules; school and summer schedules. Once we determine the exact number of teams and number of athletes on a team, we will immediately finalize the schedule and get it out to you when new teams are announced.

School Schedule will be one weekend practice (usually Sunday afternoon/evening) and one weekday practice.

During the summer, we will not have our weekend practices but their week day practices will be longer and an additional tumbling class/specialty classes will be opened up for them to skill build throughout the week in lieu of their Sunday practice time. Once school schedule begins, we will go back to 2 team practices/week.

Tiny teams practice 1 hour/week (one day/week), mini teams practice 3 hours/week (two 1.5 hour practices). Youth, Junior and Senior teams practice 4 hours/wk (2 hours at a time).

****During the summer, we will offer additional classes during the week to offset having one all-star practice. These classes include, but are not limited to, jumps and flex, conditioning, performance.**
