WHAT'S KICKIN!!!

UNDERSTANDING THE NEW SCHEDULE

The new schedule has a lot of new ideas on it. First, please know that you still have an option every day. It's just that some days will have a slightly different focus. The idea is to give you a little more variety, as well as some focus on things we'd like to spend more time on.

SKILLS CLASS - drills/concepts/forms (no spar)

COMBAT CLASS - so much sparring (drills too)

EXTREME CLASS - cardio/drills/spar (no forms)

BLACK BELT CLASS - obvious I hope!

CORE - This is a separate cardio program. It's the only new class you have to add to your monthly billing. **TRY IT!** It's meant to compliment class, and the cardio and hands will help your sparring.

What's on your End of the Year Bucket List?

There might still be a spot on the bus for Winter Camp. You could get a mini-Tournament experience in. Or perhaps you want to join the rest of the family doing TKD on the mat.

It's not too late. *It's perfect actually.*

SPARRING CLINICS - 11/2 FORMS CLINICS - 11/16

You must be registered for the tournament to attend.

TIMES FOR BOTH DATES

12:00pm *White thru Orange ALL AGES*

12:30pm *Green and Above ALL AGES*

We will be working on your new material in class, so it's up to you to practice your old stuff at home if you plan on competing with it.

But we will look it over at these clinics.

You need to schedule them in advance (spots are limited). **15 MIN SPOTS** are available from 1-3pm on Sat. **\$30**

Some dates may be unavailable for special events.

As we look ahead to MARCH REGIONALS . . . If you have a business or work for a company interested in SPONSORING, let me know.
