

Dear Families,

As promised last week we have an update regarding COVID-19. This morning, March 22, 2020, Tennessee Governor Bill Lee signed an executive order stating that all gyms need to close their doors until April 6, 2020. Naturally, we are upset that we need to do this, but it is for everyone's safety and health.

We have been, and are still, working diligently to get our virtual program up and running so your kids can get back to working out ASAP. We do appreciate those that are already following us on our Facebook pages, where we have posted some conditioning videos. If you don't follow us already, please find one of our pages to help your athlete stay in shape! Additional information regarding our Virtual Class Program will be shared with our current members once the program is accessible, so please be on the lookout for more information coming your way!

We do want to take this opportunity to thank you for sticking with us during this incredibly difficult time. We know it is not easy for anyone and we, just like you, want to be able to get back in the gym so we can coach your awesome children! We all miss each and every one of our students tremendously and can't wait until we are able to see their smiling faces again! Although this is completely out of our control, we know it is a difficult time, and will be offering ways to make up your missed classes.

We appreciate your patience as we all navigate this together. We look forward to being able to open again when it is safe for everyone! We do pray that your family is staying healthy and we ask, again, for prayers for our staff. Please continue to follow all CDC recommendations to protect not only yourselves, but those around you.

Thank you again, from the bottom of our hearts, for all of your love and support. We couldn't do this, our love and passion of cheer and gymnastics, without each and every one of you.

Sincerely,  
Danny and Angie Taylor  
ETCG Owners
