\* Kids will be grouped together by age into smaller private camps

**NEW STRUCTURE**

- Smaller group sizes in accordance with CDC, IDPH, & CDPH guidelines.
- Only week-long enrollments. No drop in days.
- Campers must wear face covering.
- Large portion of the day will be outdoors.
- Children will only be able to play with kids within their group throughout the day.
- Campers must attend in good health, temperatures taken. If any symptoms present child must be picked up immediately.
- No contact games or activities.
- Kids will observe social distancing.
- Sibling will be kept together regardless of age. Otherwise kids will be grouped by age.
- POW! will always keep the health & safety of the children as a priority. They will always get exercise, but we reserve the right to change our daily programming.
- If you registered for camp before March 31st - we will honor your enrollment regardless of changes (with the exception of illness).

More details to come as we move closer towards Chicago's Phase 4 guidelines
