LEARNING**

POW! understands the challenges families face with remote learning – balancing work/school, academic engagement, household distractions, and more. The POW! Remote Learning Center has been designed to provide an alternate environment for successful remote learning.

Children required to have all supplies, including computer & noise canceling headphones.

Academy located in private 1800SF studio. | Academic supervisor present at all times. | Workout class included.

MORE DETAILS TO COME AS CPS RELEASES ACADEMIC PLANS
