

## **Ballet Kukan Academy COVID-19 Update**

Ballet Kukan Academy currently offers “Hybrid” classes. All classes are fully open at the studio. The Zoom is also available for the students/parents who are still not sure to come back to the studio.

We follow CDC and LAPH guidelines.

Teachers and staff are required to take COVID-19 test every 8-12 weeks.

We keep our protocols in the facility to have the most possible to keep the students safety.

### **Ballet Kukan Academy protocols towards COVID-19 situation**

#### **Entrance**

1. The student will come with the dance attire, and enter the facility one by one. No Dressing Room is allowed to use unless any necessary situation happens.
2. Any person who will enter the facility must wear a mask.
3. Disinfect the belongings — We will spray your shoes, bags, dance shoes with the disinfectant solution
4. Use hand sanitizer Ballet Kukan will provide.
5. Temperature check.

#### **In the Studio and during the lesson**

1. The doors are always open
2. The air purifier with H13 True HEPA filter is turned on during the classes.
3. The teachers and the students are required to wear mask/shield for entire class. However, all are allowed to have time to take the mask off to breath or drink water.

#### **Bathroom use**

1. Non-Touch Soap dispenser is prepared.
2. Non-Touch Hand Sanitizer is prepared outside of the bathroom door.

#### **Exit**

1. The parents should be waiting outside 5 minutes prior to the class ends.
2. The student will leave the facility one at a time.
3. The studio will be disinfected by the mist of disinfecting solution, and spray or wipe off the barres and other items which are in the contact with the students and the teachers.
