

## The Studio Cooperative Sessions

**The Studio Cooperative follows American Ballet Theatre's National Training Curriculum®**, which is a specific graded curriculum, and is designed to be sensitive to the developmental needs of each age group. The curriculum combines scientific principles with elements from the classic French, Italian, and Russian schools of training. Students *must attend all classes listed for their level.*

Class size is limited to 10 students. Primary classes are open enrollment and no prior experience is necessary. Classes for Level 1 and above require an audition, or placement conversation, with Ms. Debbie.
