

USA Prime Georgia

USA Prime Baseball, LLC Press Release – September 29, 2021 USA Prime Baseball, LLC (USA Prime), a nationally-ranked baseball organization building a top level program across the country, anchored in North Texas, recently announced it has finalized an agreement with Foundation Sports PTC. Beginning Spring/Summer 2022 Foundation Sports PTC will become USA Prime Georgia.

USA Prime is a youth and high school baseball organization that prides itself on being known for providing top-tier coaches, competitive teams, and exceptional value to players/families. USA Prime is constantly looking to expand into new areas and territories and is extremely excited to enter the state of Georgia. By finalizing this agreement, all USA Prime Georgia teams will have weekly reserved times at Foundation Sports' newly renovated and technologically savvy indoor facility. In addition, USA Prime Georgia players will receive all the different value adds that USA Prime offers to all its coaches and players. USA Prime Georgia teams will also have access to both local and major national tournaments during the summer and fall seasons. USA Prime will handle all administrative and back-office function, allowing USA Prime Georgia to focus on what it does best, coach and develop high quality players and teams.

“USA Prime is experiencing explosive growth all over the country. This agreement with Blake Austin and Foundation Sports is another example of the USA Prime brand continuing to grow nationwide. We are confident that all players and families joining the USA Prime family will be thrilled with the player development and overall experience. Blake is exactly the kind of person we are looking for as a director in Georgia, and we think he will continue to do an amazing job developing players and teams.” said Ryan Nelson, CEO of USA Prime.

“Foundation Sports is extremely excited about the opportunity to partner with the USA Prime organization as we become USA Prime Georgia and work to introduce the USA Prime name and standard of success into the state of Georgia and beyond. USA Prime goals align with Foundation Sports' core values, and their support allows us to focus on our passion of developing players into the best on and off the field version of themselves,” adds Blake Austin, USA Prime Georgia Director.

USA Prime, established in 2017, was created to address the void in youth and high school baseball. The expectation is to prepare, develop, and mentor athletes to achieve their goals in baseball and ultimately reach their full potential. USA Prime aims for all athletes to play some level of college and/or professional baseball. A team of the nation's best coaches have been assembled and placed in an environment that continuously motivates and challenges them to show up and dream big for each and every player day in and day out.
