**It is very important that both you and your child be aware of both the rules and subsequent consequences. Campers must obey rules for the safety of themselves as well as for their fellow campers:**

Follow directions of all camp staff.

Be considerate and respectful of all persons and their belongings. Fighting, theft, use of profanity, bullying or name-calling will not be tolerated and result in immediate suspension.

Keep hands and feet to self.

Be respectful of your surroundings and others.

I will only leave the program with an adult that I know.

I will participate in all the activities to the best of my ability.

I will have fun!
