

Lee's Champion Taekwondo Academy CLASS policy and guideline

Please read thoroughly and sign below

Lee's Champion Taekwondo Academy will recommend and no longer require that students, staff and parents wear masks while inside our facility **if they are fully vaccinated (last booster shot must be within 6 months)**, effective June 6, 2022, also socks are optional to wear in the class, be sure to your feet keep good hygiene.

Please note:

- Students and staff who test positive for COVID-19 must wear a mask if they choose to return to school on days six through 10
- Masking will be temporarily required at a school if/when the school experiences 5% or more students absent due to positive cases of COVID-19 or symptoms consistent with COVID-19. This is consistent with Minnesota Department of Health recommendations for previously existing influenza-like illness guidelines

As we have throughout the pandemic, our schools continue to follow guidance from the health officials. Please know that we remain committed to following the latest guidance as necessary to continue learning in person in a healthy and safe environment.

LCTA class guideline & policy

1. All students and parents will be given a squirt of hand sanitizer when they enter Dojang
2. Both parents are allowed to observe class as long as class is not disturbed (e.g. Staying seated in the bleachers, not chatting on the phone, and not coaching the student during class)
3. NO shoes are allowed from Dojang entrance for everyone
4. Siblings are NOT allowed to observe the class except they are LCTA members, however if sibling interrupt the class, he/she will be asked to leave dojang

Member Obligations:

1. Absolutely NO student is allowed in the facility if they have been in contact with a confirmed case of COVID, experiencing a cough, shortness of breath or sore throat. We are depending on parents to ensure this rule is followed to the letter.
2. All students must use the **restroom PRIOR to class starting**. If there is a need during class, of course it is available, and they are allowed to come back to class with Mrs. Lee or instructor's permission, and must use hand sanitizer again
3. Uniforms must be washed prior to each class and strict hygiene will be required.
