The Youth Director will let the parents know in an email what day that will be. Please know that Proehlific Park is not held responsible for anything that happens to your child's electronic device.
- **Cell Phone usage is not allowed by students.** Should students need to contact their parents, they can use the office phone. If your student is caught with their phone, smartwatch etc. it will be taken and put in the Director's office till the student leaves.
- **Money has been known to wander and get lost in our facility.** To avoid bills floating around, parents can pre-pay for snack or Sunset Slush. This will help keep money from being misplaced.

Proehlific Park staff always carry around a first-aid bag, have been AED/CPR certified, and attend emergency procedure training.

My child needs some accommodations and modifications: Who can we talk to about this request? Our Youth Program Director, Angie Tallant, or one of the Assistant Directors. Should you require any accommodations, please reach out to Angie at angie@proehlificpark.com or call 336-665-5233.

Who will the children be interacting with each day? Students are split into groups based on the student's grade level in order to participate in developmentally appropriate activities. Groups are not intermingling currently due to COVID-19 and the guidelines set by the NCDHHS. Coaches are staffed based on the ratio 1:10 for grade level K-5th grade and 1:15 for 6th-8th.

How do you handle disruptive or negative behavior? At the heart of our Youth Program is a system of positive behavior support, which is also utilized in Guilford County Schools. All coaches have been trained in classroom management and positive behavior supports.

We have five expectations that campers abide by in our After School Program

- 1 **RESPECT** your coaches and other campers.
2. **Keep your hands and feet to yourself,**
3. **Use kind words.**
4. **Follow your coach's directions and listen.**
5. **NO BULLYING, taunting, or teasing.** Children that meet expectations throughout the week earn special activity.

The Youth Program Director and Assistant Director are excellent at corresponding with parents about their child's behavior when needed.

There is a three-strike policy for campers that cannot meet expectations.

The first strike: A write up and warning from the director or assistant director, the parent will be notified of the write up and warning.

The second strike: The student will be suspended from the program; the number of days will be based on the offense and at the Director or Assistant Director's discretion.

The third strike: If behavior does not improve when the camper returns to After-School after the 2nd strike, the camper will be removed the program.

Parents WILL NOT be reimbursed their money if a camper is terminated from the program for poor behavior.

Parents are also asked to treat the Director and Assistant Director professionally and with respect. We are all on the same team and want what is best for your child.
