Group Exercise Etiquette

- Please introduce yourself to the instructor, if you are new to the class.
- In order to prevent injury, do not enter a class already in session, or leave before properly stretching and cooling down.
- Please refrain from talking during class to avoid distracting other students, your instructor, and your lifeguard.
- All cell phones should be turned OFF during class.

ADULT WELLNESS CLASSES

All classes conducted by nationally certified instructors. Our wellness programs offer multiple benefits regardless of your fitness level. Our instructors provide modifications to increase or decrease the difficulty of the moves, and you're always free to go at your own pace.

Yoga- Find physical harmony through traditional yoga poses that help strengthen both mind and body.

Real Fitness Wellness Program

These classes focus on Functional Training to help maintain a healthy lifestyle for the active older adult.

Balance with Flexibility- Work on maintaining your balance and flexibility through standing and seated exercises tailored to help you lengthen muscles and improve joint stability.

Strength Moves- Staying strong and healthy as we age is recommended and accommodated in this total body strength program for those ages 55 & up. Each participant is provided physical distancing and the appropriate class equipment and chair.

AQUATIC CLASSES

Held in a heated zero depth entry pool.
Swimmers and non-swimmers are welcome.

Classes conducted by nationally certified instructors. Our aquatic programs offer multiple benefits regardless of your fitness level. Our instructors provide modifications to increase or decrease the difficulty of the moves, and you're always free to go at your own pace. Working out in water provides equal resistance through your full range of motion, and allows you to strengthen your muscles without stressing vulnerable joints.

Aqua Moves- Offering the aquatic exerciser a safe way to exercise in the comfort of the water by providing physical distancing and purpose-driven exercises. Shallow and deeper water levels are available for participants to complete their water exercises while instructors provide effective cues, patterns, variety, and intensity levels. Classes include cardiovascular fitness and strength training with added resistance and buoyancy options with the use of aquatic equipment.

For participants seeking the deeper areas of the pool water belts and aqua noodles can be provided.
