

2023 Weekly Themes

Session 1: Pokemon Training Camp - June 12th -June 16th

Become the Ultimate Pokemon Trainer! Trainers will learn how to play the game (if they don't already), explore pokemon and insect evolution and of course catch pokemon during a scavenger hunt! We will finish out the week with a tournament.

Session 2: Star Wars Camp - June 19th -June 23rd

In a galaxy far away, campers will train to be Jedi. They will build their own light saber, learn how to be One with the Force with fun yoga classes, complete space missions such as capture the flag, and fight to save their galaxy in the final battle—Nerf Wars-- from the Sith. In addition, campers will learn about outer space, astronauts, and flight.

Session 3: Back to Nature Week (Bugs!) - June 26th -June 30th

Campers will return to their roots and learn how to identify local plants and animals, create fun ecofriendly crafts, and learn about nature conservation. We will also be taking a closer look at insects and why they are so important. It will be a fun week outside!

Session 4: American Folklore - July 5th -7th

Campers will learn about events and stories that helped shaped the early United States during the week of the 4th of July. Campers will learn how to build a campfire, make smores, and what makes fireworks go BOOM!

Session 5: Summer Olympics - July 10th -14th

Calling all athletes! Campers will learn what it takes to be a gold medal athlete. Make fun fueled snack and compete in the Olympic games. Gymnastics, Karate, Obstacle Courses, Dodgeball, Kickball, etc. are just a few of the activities that will keep us busy all week. Not to mention learning about the Paralympics and playing seated volleyball!

Session 6: Survivor Camp - July 17th -21st

Just like the network show Survivor, campers will face challenging tasks and develop team building skills. They will also learn basic, lifesaving skills such as building a fire, tying knots, purifying drinking water, reading a map and so much more.

Session 7: Harry Potter Camp - July 24th -28th

Help us celebrate Harry Potter's birthday in magical fashion. Campers – witches and wizards—will visit Ollivander's Wand Shop and make their own wand. They will also sharpen their minds in potions and transfiguration classes. And finally, train to defeat YOU KNOW WHO!

Session 8: It's a Zoo! - July 31st-August 4th

Campers will learn about local and foreign animals, environments, and how to be an ambassador to our planet. A local veterinarian will come in and answer questions about how to care for animals, what vet school is like and any other questions campers might have.

Session 9: Shark Week - August 7th -11th

Did you know that the state of Wisconsin was once covered by ocean? Fortunately, we don't have any Sharks! In our lakes anymore (muskie's are a little creepy in my opinion) Campers will have a wet and wild week filled with water activities. They will learn why sharks are important ocean predators. Campers will also have the opportunity to explore oceans in depth and answer questions such as, "Why is the ocean salty?", "Why can I hear the ocean when I listen to a sea shell?" or "What does the ocean floor look like?".

Session 10: Dinosaur Week! - August 14th -18th

Campers will become paleontologist and explore our prehistory history. They will unearth hidden secrets, identify relics, and decode the past. You even get to assemble your own dinosaur skeleton!

Session 11: The Best Week of Summer Camp! - August 21st-25th

Campers will celebrate the final week of Summer Break with all the staff's favorite games, art projects, science experiments and more. It will be a true party with water games, relay races and outdoor challenges. Come join the fun!
